The column of the Barometer is twenty-two feet above the level of the sea, and the receiver of the East Ganga is two feet from the ground. The wind, rain and general weather registered are for the current Civil Day—from midnight to midnight.

The total quantity of rain collected since January 1st is 39.47 inches, the average for the same period being 17.74 inches.

### GOVERNMENT OF INDIA LEGISLATIVE DEPARTMENT

#### Bills introduced in the Indian Legislative Council for making Laws and Regulations, Reports of Select Committees presented to the Council, and Bills published under Rule 23.

The following Bill was introduced in the Indian Legislative Council on the 26th day of September 1904.—

No. 4 of 1904

*A Bill to make provision in connection with the present war with respect to bills of exchange payable outside British India.*

WHEREAS it is expedient to make provision in connection with the present war with respect to bills of exchange payable outside British India; It is hereby enacted as follows:—

1. (1) This Act may be called the Indian Bills of Exchange Act, 1904.  
(2) It shall be in force during the continuance of the present war and for a period of six months thereafter.

2. Notwithstanding anything contained in the Negotiable Instruments Act, 1881, or in any other enactment for the time being in force, delay in the presentation for pay of a bill of exchange, where the place for payment is outside British India, is excused if the delay is, or has been, due either directly or indirectly to circumstances arising out of the present war, or to the impracticability, owing to similar circumstances, of transmitting the bill to the place of payment with reasonable safety.

3. Where, in any suit or other proceeding founded upon a bill of exchange payable outside British India, there is reason to believe that the bill has been lost, and that the loss can reasonably be presumed to be due either directly or indirectly to circumstances arising out of the present war, the Court may allow proof of the bill to be given by means of a copy thereof, certified by a sworn affidavit, or by means of such other evidence as the Court thinks reasonable under the circumstances, and may pass a decree thereon notwithstanding any rule of law to the place where the bill is made payable.

Provided that such indemnity be given against the claims of other persons as the Court may require.

## STATEMENT OF CLAIMS AND REASONS.

The Government of India have received representations from the Exchange Banks in this country praying for protection from loss in connection with bills of exchange arising out of the business conducted by the present war. Prior to the outbreak of the war, these Banks had become holders of a large number of bills of exchange which had been drawn in India and made payable at a specified period after date or sight thereof in countries which have now become enemy countries or countries occupied by the enemy. Shortly before the war some of these bills were sent forward for presentation, but it has not been possible to ascertain whether they have been presented to the acceptors or not, or whether they have been lost; while, as regards such bills as could not be so sent forward for presentation, it was impossible, and indeed illegal, to present them for payment to the acceptors thereof. Under sections 21 and 24 of the Negotiable Instruments Act, 1881, bills of exchange made payable at a specified period after date or sight thereof must be presented to maturity, and if such presentation is not made, the drawers of the bills are discharged from liability to the holders. The consequence is that the Banks, who are the holders, have no right of action against the drawers. Nor have they any remedy against the acceptors for the existing law would not validate presentation of bills for payment after the war. It is reasonable, therefore, that the Banks should be protected from loss. The present Bill follows the lines of the British Bills of Exchange Act, 1892 (5 & 3 Geo. V., Chap. 85).

The following Bill was introduced in the Indian Legislative Council on the 26th day of September 1913—

No. 9 of 1913

*A Bill to amend the Indian Lunacy Act, 1912.*

WHEREAS it is expedient to amend the Indian Lunacy Act, 1912; It is hereby enacted as follows—

17 of 1913.

Short title.

1. This Act may be called the Indian Lunacy (Amendment) Act, 1913.

Enactment of two sections 11 & 12 of Act 17, 1913.

2. After section 11 of the Indian Lunacy Act, 1912, the following section shall be inserted, namely—

17 of 1913.

“(1) A. (2) When an arrangement has been made with any foreign European State with respect to the reception of lunatics in asylums in British India, the Government-General in Council may, by notification in the Gazette of India, direct that reception orders may be made under this Act in the case of any lunatic or class of lunatics residing in the territories in India of such foreign European State, and shall in such notification specify the persons or persons within which such reception orders may be made.

(3) On publication of a notification under sub-section (2), the provisions of this Act as to the making of reception orders on petition and for temporary detentions in suitable custody shall apply in the case of such lunatics, with the following modifications, namely—

- (a) an application for a reception order may be made by petition presented by such officer or agent of the foreign State in which the alleged lunatic ordinarily resides, as may be general or special order be approved by the Local Government in this behalf;
  - (b) the functions of the Magistrate shall be performed by such officer as the Local Government may, by general or special order, appoint in this behalf, and such officer shall be deemed to be the Magistrate having jurisdiction over the alleged lunatic for all the purposes of the said provisions;
  - (c) for the purposes of sections 5 and 11 (2), the expressions “medical officer” and “medical practitioner” shall include such person or class of persons as the Local Government may specify in this behalf;
  - (d) the Magistrate may in his discretion extend the period prescribed by section 12 within which the alleged lunatic must have been medically examined; and
  - (e) sections 5 (1), (2), (3), 11 and 24 of the Act shall not apply.
- and with such other modifications, adaptations or adaptations as the Government-General in Council may, by notification in the Gazette of India, direct for the purpose of facilitating the application of the said provisions.

(3) A reception order made under this section shall be deemed to be a reception order made under section 7 or section 12, as the case may be.”

STATEMENT OF OBJECTS AND REASONS

It is proposed that power should be taken to provide for the reception into asylums in British India of lunatics residing in the territories in India of European Foreign States, in cases where such States have entered into an arrangement in this behalf. The British Government are anxious to obtain these lunatics, and as a matter of international courtesy, it is desired to meet their wishes. This is not possible under section 11 of the Indian Lunacy Act, 1912, as the Court in foreign territories do not of course examine periodically the findings of foreign Courts in lunacy proceedings, but in present proceedings for a reception order in such a case by authorities in British India. The Bill, which provides for the insertion of a new section after section 11 of the Indian Lunacy Act, 1912, is designed to meet the object in view. The provisions of the Act for the making of reception orders are persons affected by the object in view. The provisions of the Act for the making of reception orders are persons affected by the object in view. The provisions of the Act for the making of reception orders are persons affected by the object in view. The provisions of the Act for the making of reception orders are persons affected by the object in view.

(c) any person, or company who or which has, at any time since the 3rd day of August 1914, carried on business in British India, and whose business is, or was, in the opinion of the Governor General in Council, either by reason of its nature or of the persons who carry or carried it on, or for any other cause whatsoever, carried on either under the control whether direct or indirect of any hostile foreigner, or carried on wholly or mainly for the benefit of hostile foreigners generally, or any class of hostile foreigners or any individual hostile foreigner.

3. (1) The Governor General in Council may, by general or special order, <sup>Power to appoint</sup> appoint Inspectors for the purpose of determining whether any business is or was carried on by a hostile firm within the meaning of this Act.

(2) The Inspector may summon before him any person whom he believes to be capable of giving information concerning the trade, dealings, affairs or property of such business, and of the antecedents and reliability of those by whom it is or was carried on or controlled.

(3) The Inspector may examine each person on oath concerning the same, and may reduce his answers to writing, and require him to sign them.

(4) The Inspector may require each person to produce any documents in his custody or power in any way relating to such business or to the persons by whom it is or was carried on or controlled.

(5) If any person so summoned refuses to come before the Inspector at the time appointed, the Inspector may cause him to be apprehended and brought before him for examination.

(6) If any person refuses to answer any question or to produce any document which under this section the Inspector is empowered to ask or require production of, such person shall be punishable with imprisonment which may extend to six months, or with fine which may extend to one thousand rupees, or with both.

<sup>Power to prohibit or restrict, or restrict or prohibit</sup> 4. (1) The Governor General in Council may make an order either—

(a) prohibiting any hostile firm from carrying on business, except for the purposes and subject to the conditions, if any, specified in the order; or

(b) requiring the business of such firm to be wound up; and may in any case, where he has made an order prohibiting or limiting the carrying on of the business, at any time, if he thinks it expedient, substitute for that order an order requiring the business to be wound up.

(2) Every order made under sub-section (2) shall be published by notification in the *Gazette of India*.

(3) If any person contravenes the provisions of any order made under this section, he shall be punishable with imprisonment which may extend to one year, and shall also be liable to fine.

(4) An order made under this section shall continue in force, notwithstanding the termination of the present war, until determined by order of the Governor General in Council.

5. (1) Where the Governor General in Council makes an order under this Act requiring a business to be wound up, the order shall, on notification in the *Gazette of India*, have effect as if it were a winding-up order made by a Court under the Indian Companies Act, 1913, and the provisions of that Act relating to winding up by the Court and the rules made thereunder subject to such exceptions, restrictions, exemptions, modifications and adaptations as the Governor General in Council may, by general or special order, prescribe, or such other rules as may be prescribed by him, shall apply to the winding up of the business:

Provided that, for the purposes of any winding up order under this Act, all powers exercisable by the Court under the said Indian Companies Act shall be exercisable by the Governor General in Council, or by such other authority as he may appoint either generally or specially in that behalf:

Provided also that the assets of the business and any money resulting from the realization of any part thereof shall be dealt with in accordance with such rules as the Governor General in Council may make in that behalf.

(2) Where an order has been made under this Act directing the winding up of the business of a hostile firm, the hostile firm shall not, nor shall any other person, commence or initiate, whilst that order remains in force, any other proceedings of a like nature or calculated in any way to interfere with the carrying out of such order.

6. (1) Where it appears to the Governor General in Council that a contract entered into before or during the war, or a transfer of property, movable or immovable, made during the war, with or by a hostile foreigner or a hostile firm is injurious to the public interest, or was made with the object of evading any provision of the law, the Governor General in Council may by order cancel or determine such contract, either unconditionally or upon such conditions as he thinks fit, or declare such transfer to be void either in whole or in part, or may impose such conditions on the transferee as he thinks fit.

(2) The powers conferred by sub-section (1) in respect of transfers of property shall be exercisable also in respect of any subsequent transfer or sub-transfer which, in the opinion of the Governor General, is injurious to the public interest or was made with the object of evading the law.

(3) On the making of an order under this section declaring any transfer or subsequent transfer or sub-transfer to be void, all property, the transfer of which is declared void by such order, shall, with effect from the date of the order, be deemed to be re-vested in the original transferee, or, if a winding up order has been made under section 4 (2) (b), in the liquidator.

7. (1) The Governor General in Council, in any case where it appears to him to be expedient to do so, may by order vest in any Custodian appointed under the Enemy Trading Act, 1916, any property, movable or immovable, belonging to, or deemed to be vested in, or managed or held whether in trust or otherwise, for, or on behalf of, a hostile foreigner, a hostile firm, or any person or company residing in, or carrying on business in the dominions of, a State at war with His Majesty, or the right to transfer that property, and may by any such order or any subsequent order confer on the Custodian such powers of selling, managing and otherwise dealing with the property as to the Governor General in Council may seem proper.

(2) A vesting order under this section shall, notwithstanding the provisions of any other law to the contrary, be sufficient to vest in the Custodian any property or the right to transfer any property as provided by the order, without the necessity of any further document.

(3) Where, in the exercise of the powers conferred on him by the Governor General in Council, the Custodian proposes to sell any shares or stock forming part of the capital of any company or any securities issued by the company in respect of which a vesting order under this Act has been made, the company may, with the consent of the Governor General in Council, purchase the shares, stock or securities, notwithstanding anything to the contrary in any law or in any regulation of the company, and any shares, stock or securities so purchased may, from time to time, be re-issued by the company.

(4) The transfer by the Custodian of any property shall be conclusive evidence in favour of the transferee and of the Custodian that the requirements of this section have been complied with.

(5) All property vested in the Custodian under this section and the proceeds of the sale of, or money arising from, any such property, shall be dealt with by him in accordance with such directions as he may receive from the Governor General in Council; and no such property or money shall be liable to be attached or otherwise taken in execution.

8. Where a vesting order has been made under this Act as respects any property belonging to, or held or managed for, or on behalf of, a person who appeared to the Governor General in Council to be a person in whom the provisions of section 7 were applicable, the order shall not, nor shall any proceedings thereunder or in consequence thereof be invalidated or affected by reason only of such person having, prior to the date of the order, died or ceased to be a person to whom the said provisions were applicable, or subsequently dying or ceasing to be such a person, or by reason of its being subsequently ascertained that he was not such a person, as the case may be.

9. The following Act of the Indian Legislative Council received the assent of the Governor General on the 5th September 1916, and is hereby promulgated for general information:—

ACT No. XI of 1916

*An Act to provide further power to prohibit or restrict the import and export of goods to and from British India.*

WHEREAS it is expedient to provide further power to prohibit or restrict the import and export of goods to and from British India; It is hereby enacted as follows:—

1. (1) This Act may be called the Import and Export of Goods Act, 1916;

(2) It extends to the whole of British India; and

(3) It shall remain in force during the continuance of the present war, and for a period of six months thereafter.

Definitions.

2. In this Act—

"export" means the taking by sea or land out of British India;

"import" means the bringing by sea or land into British India.

Power to prohibit or restrict import or export of goods from or to any country or place, or any person or class of persons.

3. The Governor General in Council may, by notification in the Gazette of India, prohibit, or restrict in any way he may specify in such notification the import or export of all or any goods or any class of goods from or to any country or place, or from or to any person or class of persons.

4. Where, by a notification issued under section 3, the import or export of any goods is prohibited or restricted, such goods shall be deemed to be goods of which the import or export has been prohibited or restricted under section 19 of the Sea Customs Act, 1878, and the provisions of the said Act shall have effect accordingly.

VIII of 1878.

Provided that, in any proceedings for the adjudication of confiscation of any goods to which the provisions of any notification under this Act are alleged to apply, the goods shall be deemed to be goods of which the import or export has been so prohibited or restricted, as the case may be, unless the contrary is proved.

5. (1) Where any bond has been executed for the due performance of any condition imposed in the exercise or by virtue of the power of restriction conferred by section 3, the officer in whose favour the bond has been executed or his successor in office may, if he is satisfied that such bond has been forfeited, call upon the person bound thereby to pay the penalty to show cause why it should not be paid by him.

(2) If, in the opinion of such officer, sufficient cause is not shown and the penalty is not paid, he may, in addition to all other legal remedies, proceed to recover the same as if it were an arrear of land-revenue, and shall, for that purpose, have all the powers conferred upon the Collector by any enactment relating to land-revenue for the time being in force in any part of the province in which the bond was executed.

6. All notifications under section 19 of the Sea Customs Act, 1878, issued after the 3rd day of August, 1914, and in force at the commencement of this Act, shall be deemed to have been issued under the provisions of section 3, and any action taken after the said date which, if this Act had been in force, could have been validly taken, is hereby validated.

Clarification of section 19 of the Sea Customs Act, 1878, as amended, so far as it relates to this Act.

7. The Import and Export of Goods Ordinance, 1916, is hereby repealed.
